

YMCA OF NEWARK AND VICINITY ANNUAL SUPPORT CAMPAIGN

The YMCA of Newark and Vicinity is here every day of the year, and never more so than in challenging or uncertain times. Today, we're striving to open our doors even wider to life enhancing Y programs and services. With 137 years behind us, and at least that many ahead, we face the future with hope, confidence and a renewed commitment to serving many diverse communities.

In 2018, with youth programming, housing, and overnight camping, the YMCA of Newark positively impacted the lives of thousands. By meeting critical community needs—through encouraging children to participate in fun physical activity, helping them develop the skills and confidence to make smart choices, and giving them the support they need to stay in school—the YMCA is helping children and teens reach their fullest potential in spirit, mind and body. The YMCA of Newark and Vicinity has also provided over 360,000 bed nights to families in need.

Contributions to the YMCA of Newark and Vicinity Annual Support Campaign ensure that no child or family is turned away because of the inability to pay. Each year, we provide financial assistance to thousands of local youth and families in need. These requests are rising to unprecedented levels. The YMCA of Newark and Vicinity, through the Annual Support Campaign wants to continue to meet these needs.

They are counting on us and we are counting on you.

Speaker:

Reverend Shawn T. Wallace, Sr.

The YMCA of Newark and Vicinity has honored the memory of Dr. Martin Luther King Jr. for the past 48 years with an annual memorial breakfast. In fact the YMCA was the first local organization to hold an event honoring Dr. King.

The breakfast allows us to take time to remember and reflect on Dr. King’s vision of a community and world of peace, love and understanding.

Please join us as we gather for this 48th Memorial Breakfast. This is a wonderful opportunity to recommit ourselves to the high ideals that Dr. King personified.

REMEMBERING THE DREAM WORDS FROM

DR. MARTIN LUTHER KING JR.

“I have a dream... that one day the sons of former slave owners and the sons of former slaves will be able to sit down together at the table of brotherhood.”

“I have a dream that my four little children will one day live in a nation where they will be judged not by the color of their skin but the content of their character.”

“Everybody can be great because anybody can serve. You don’t have to have a college degree to serve. You don’t have to make your subject and verb agree to serve. You only need a heart full or grace. A soul generated by love.”

“The ultimate measure of a man is not where he stands in moments of comfort, but where he stands at times of challenge and controversy.”

“Human progress is neither automatic nor inevitable...every step toward the goal of justice requires sacrifice, suffering, and struggle; the tireless exertions and passionate concerns of dedicated individuals.”
