

**YMCA OF NEWARK & VICINITY  
PARKING REGULATIONS AGREEMENT**

The Newark YMCA provides a limited number of parking spaces as a service to our members and visitors. Parking is a privilege of membership. The YMCA monitors the parking areas, but is not responsible for any lost, stolen or damaged personal property. The YMCA has three lots available for members and visitors. These include the Fulton Street lot, the Rear Lot and the Rector Street Lot.

**Parking regulations are strictly enforced. VIOLATIONS OF THE POSTED REGULATIONS WILL RESULT IN THE VEHICLE BEING TOWED AT THE VEHICLE OWNER'S EXPENSE.**

**PARKING SPACE SELECTION**

Members and visitors are permitted to park in designated spaces while participating in a Y activity. **MEMBERS MAY NOT PARK IN YMCA VAN OR STAFF RESERVED SPACES AT ANY TIME.**

**REGISTRATION OF VEHICLE**

After parking, vehicles must be immediately registered in the vehicle log at the Security Desk located in the main lobby or the Membership Desk at the Rector Street entrance of the YMCA. **Registration information must be completed in full including name, Y area or person visiting, parking space number, full license plate number of vehicle and the time of registration. Each space is numbered on posted signs. ILLEGALLY PARKED VEHICLES OR VEHICLES THAT ARE NOT PROPERLY REGISTERED WILL BE TOWED.**

**AS A RULE, THE YMCA DOES NOT PAGE MEMBERS FOR PARKING RELATED MATTERS.**

**PARKING TIME LIMIT**

Member or visitor vehicles are subject to a **THREE (3) HOUR TIME LIMIT. Parking is strictly for members while using the YMCA facilities, not to attend concerts, shopping nor any other purpose.** Registered YMCA residents may park overnight from 8:00 pm to 7:00 am.

I have read and agree to adhere to the above regulations.
